

Certificate of participation

This certificate is presented to

Nicolai Popov

in recognition of their participation in The PRAIRIE / MIAI Artificial Intelligence Summer School
organized by INRIA and the institutes PRAIRIE and MIAI
between the 5th and the 9th of July 2021.

The summer school comprised 17 hours of lectures conducted by renowned experts in different areas of artificial intelligence
including computer vision, natural language processing, healthcare, machine learning and environment.

On behalf of the PAISS 2021 scientific committee
Jean Ponce, Scientific director of PRAIRIE
